FÊTE À LA PLAGE

RAMATUELLE

Fête à la plage - A celebration at the beach
The day begins at the iconic LouLou Ramatuelle

Step into a Slim Aarons frame — an afternoon of sun,
style, and a long lunch by the water

We invite you to join us for our favorite Riviera ritual

Think 1960s Saint-Tropez: crisp linens, oversized
sunglasses, and an air of studied ease
With a piscine in hand, we will be lingering by the sea as
the afternoon drifts toward evening

We recommend bringing a swimsuit and a change of attire as we transition from
the water to a long afternoon of leisure
