

SUNSET

Dinner sur la Mer

As the golden hour dissolves into a starlit sky and the evening takes hold, we will come together for a seaside dinner followed by dancing under the stars

In keeping with the setting, we invite you to dress in cocktail attire inspired by the colors and movement of the horizon

Ladies are encouraged to wear flowing dresses in sunset hues and airy, romantic fabrics, while gentlemen are invited to wear linen suits with a relaxed elegance that reflects the warmth of the coast
